

Goals for Pre-K

We want the children to:

Become more independent.

Develop and use their imagination.

Become aware of and respect other people's feelings.

Be able to express themselves through art and language.

Develop a knowledge and awareness of other countries, people and cultures.

Appropriately use crayons, pencils, scissors, glue and paint.

Recognize all of the letters and sounds, numbers 1-100. Put blends together and read three and four letter words.
